

## **INNOVATION DAYS 2.0**

## Smart Manufacturing Solutions

Dates: March 03, 2021, 2.00 pm - 3.30 pm | March 04, 2021, 9.30 am - 11.00 am

Moderation: Günter Heinendirk, Manager Digital Transformation

Welcome       Peter Pühringer, General Manager Robotics Germany         Stäubli Robots Insights Start your journey together with Stäubli management       Gerald Vogt, Chief Executive Officer Christophe Coulongeat, Group Division Manager Peter Pühringer, General Manager Robotics Germany         New TX2-140/160 (L), Extending TX2 CS9 Six-axis series European premiere: more advantages in mid-payload applications       Edouard Guillaume, Marketing Manager         Q&A session       Philippe Dejean (R&D Manager), Edouard Guillaume         Get inspired by Stäubli Smart Production Humans, robots, POWER cobots, AGVs and AMRs working as a team       Andreas Rosenbusch, Team Leader Division Sales-Tools         Management-Talk       Gerald Vogt, Chief Executive Officer Christophe Coulongeat, Group Division Manager Peter Pühringer, General Manager Robotics Germany         Stäubli robot systems powered by the CS9 controller High-performance line for your digitally connected production       Edouard Guillaume, Marketing Manager         Q&A session       Philippe Dejean, Edouard Guillaume, Patrick Lazzaroni         Automation whenever and wherever needed Stäubli mobile solutions for modular automated manufacturing       Alexander Braun, Junior Sales Manager Mobile Robotics Julien Lora, Marketing Leader AGV (Automated Guided Vehicles)         Q&A session       Peter Pühringer, Alexander Braun, Julien Lora         Conclusion and end of web-sessions       Gerald Vogt, Christophe Coulongeat, Peter Pühringer	Titel	Referent
Start your journey together with Stäubli management  Christophe Coulongeat, Group Division Manager Peter Pühringer, General Manager Robotics Germany  Edouard Guillaume, Marketing Manager  Edouard Guillaume, Marketing Manager  Philippe Dejean (R&D Manager), Edouard Guillaume  Andreas Rosenbusch, Team Leader Division Sales-Tools  Formation of the Puhringer, General Manager  Andreas Rosenbusch, Team Leader Division Sales-Tools  Formation of the Peter Pühringer, General Manager  Petrick Lazzaroni, Technical Sales Support Manager  Philippe Dejean, Edouard Guillaume, Patrick Lazzaroni  Automation whenever and wherever needed  Stäubli mobile solutions for modular automated manufacturing  Peter Pühringer, Alexander Braun, Junior Sales Manager Mobile Robotics  Julien Lora, Marketing Leader AGV (Automated Guided Vehicles)  Peter Pühringer, Alexander Braun, Julien Lora	Welcome	Peter Pühringer, General Manager Robotics Germany
European premiere: more advantages in mid-payload applications  Philippe Dejean (R&D Manager), Edouard Guillaume  Andreas Rosenbusch, Team Leader Division Sales-Tools  Andreas Rosenbusch, Team Leader Division Sales-Tools  Gerald Vogt, Chief Executive Officer Christophe Coulongeat, Group Division Manager Peter Pühringer, General Manager Robotics Germany  Stäubli robot systems powered by the CS9 controller High-performance line for your digitally connected production  Automation whenever and wherever needed Stäubli mobile solutions for modular automated manufacturing  Deter Pühringer, Alexander Braun, Julien Lora		Christophe Coulongeat, Group Division Manager
Get inspired by Stäubli Smart Production Humans, robots, POWER cobots, AGVs and AMRs working as a team  Andreas Rosenbusch, Team Leader Division Sales-Tools  Gerald Vogt, Chief Executive Officer Christophe Coulongeat, Group Division Manager Peter Pühringer, General Manager Robotics Germany  Stäubli robot systems powered by the CS9 controller High-performance line for your digitally connected production  Edouard Guillaume, Marketing Manager Patrick Lazzaroni, Technical Sales Support Manager  Philippe Dejean, Edouard Guillaume, Patrick Lazzaroni  Automation whenever and wherever needed Stäubli mobile solutions for modular automated manufacturing  Alexander Braun, Junior Sales Manager Mobile Robotics Julien Lora, Marketing Leader AGV (Automated Guided Vehicles)  Q&A session  Peter Pühringer, Alexander Braun, Julien Lora		Edouard Guillaume, Marketing Manager
Humans, robots, POWER cobots, AGVs and AMRs working as a team  Gerald Vogt, Chief Executive Officer Christophe Coulongeat, Group Division Manager Peter Pühringer, General Manager Robotics Germany  Stäubli robot systems powered by the CS9 controller High-performance line for your digitally connected production  Edouard Guillaume, Marketing Manager Patrick Lazzaroni, Technical Sales Support Manager Philippe Dejean, Edouard Guillaume, Patrick Lazzaroni  Automation whenever and wherever needed Stäubli mobile solutions for modular automated manufacturing  Alexander Braun, Junior Sales Manager Mobile Robotics Julien Lora, Marketing Leader AGV (Automated Guided Vehicles)  Peter Pühringer, Alexander Braun, Julien Lora	Q&A session	Philippe Dejean (R&D Manager), Edouard Guillaume
Management-Talk  Christophe Coulongeat, Group Division Manager Peter Pühringer, General Manager Robotics Germany  Edouard Guillaume, Marketing Manager Patrick Lazzaroni, Technical Sales Support Manager Patrick Lazzaroni, Technical Sales Support Manager Philippe Dejean, Edouard Guillaume, Patrick Lazzaroni  Automation whenever and wherever needed Stäubli mobile solutions for modular automated manufacturing  Alexander Braun, Junior Sales Manager Mobile Robotics Julien Lora, Marketing Leader AGV (Automated Guided Vehicles)  Peter Pühringer, Alexander Braun, Julien Lora		Andreas Rosenbusch, Team Leader Division Sales-Tools
High-performance line for your digitally connected production  Patrick Lazzaroni, Technical Sales Support Manager  Philippe Dejean, Edouard Guillaume, Patrick Lazzaroni  Automation whenever and wherever needed Stäubli mobile solutions for modular automated manufacturing  Alexander Braun, Junior Sales Manager Mobile Robotics Julien Lora, Marketing Leader AGV (Automated Guided Vehicles)  Peter Pühringer, Alexander Braun, Julien Lora	Management-Talk	Christophe Coulongeat, Group Division Manager
Automation whenever and wherever needed Stäubli mobile solutions for modular automated manufacturing  Alexander Braun, Junior Sales Manager Mobile Robotics Julien Lora, Marketing Leader AGV (Automated Guided Vehicles)  Peter Pühringer, Alexander Braun, Julien Lora		
Stäubli mobile solutions for modular automated manufacturing  Julien Lora, Marketing Leader AGV (Automated Guided Vehicles)  Q&A session  Peter Pühringer, Alexander Braun, Julien Lora	Q&A session	Philippe Dejean, Edouard Guillaume, Patrick Lazzaroni
